

Reveal

Read. Reflect. Study. Grow. A sanctuary for Scripture — private, quiet, ad-free.

REVEAL AT A GLANCE

revealbible.app

FOR INDIVIDUALS

- Read Scripture across multiple Bible translations.
- Parallel reader — compare translations verse-by-verse, side-by-side.
- Deep Dive — explore Scripture, original languages, and additional translations with your preferred AI.
- Selah, your quiet AI companion for Scripture.
- Studies: notebooks that hold your reading, notes, and reflections.
- Immersive reading mode with audio narration.
- The Altar — a zero-trace space for prayer.

FOR CHURCHES & MINISTRIES

- Your own group hub with a shareable invite code.
- Discussion, study, and collaboration for your ministry.
- Recurring memberships with direct ministry payouts.
- Membership payments deposit directly into your ministry's connected account.
- A quiet public page for your group at reveal.app/your-group.

100% of one-time gifts go directly to your ministry.

Reveal's 5% platform fee applies only to automated recurring group memberships. One-time support flows straight to your ministry's own payment link.

HOW IT WORKS — FOR GROUP LEADERS

- 1** Create your group in 60 seconds.
- 2** Connect Stripe — or add your own payment links.
- 3** Share your invite code with your congregation.
- 4** Members join, support, and study together.
- 5** You lead your people. Reveal handles the platform.

PRIVACY FIRST

No ads. No tracking pixels. No selling of your prayers or reading history. Zero-trace by default — what you lay down at the Altar stays down.

PRICING

Free — full Sanctuary, Studies, Selah, and Altar.
Scribe (opt-in) — enhanced AI features and higher usage limits.
Groups — pay-what-you-set memberships via Stripe.

UNDERSTANDING REVEAL

- | | | |
|--|---------------------------------------|-------------------------------------|
| <i>Sanctuary</i> Private reading space. | <i>Study</i> Workspace for a topic. | <i>Vault</i> Where Studies live. |
| <i>Selah</i> AI companion for Scripture. | <i>Altar</i> Zero-trace prayer space. | <i>Board</i> One quiet public page. |
